

OF THE TOWN OFFICERS
HAVERHILL, N. H. 1957

ANNUAL REPORTS

WOODSVILLE GUARANTY SAVINGS BANK

The Woodsville Guaranty Savings Bank, in March, 1957, occupied its new building.

The modern banking facilities include a vault and safe deposit boxes installed by the Mosler Safe Company and a new night depository which is readily accessible from the sidewalk at any hour of the day or night. These facilities are all protected by the Bankers Electric Protective Association with the latest alarm system. The fireproof building is fully air conditioned and a large parking space is provided in the rear.

The interior of the building is light and most attractive with natural daylight conditions under which the bank is better able to serve its customers.

The Woodsville Guaranty Savings Bank was incorporated in 1889 and has grown consistently over the years having total assets now of \$3,770,000.00.

The construction of the new bank building was so arranged as to provide space for the Woodsville National Bank as the two banks have been closely associated for over sixty years.

ANNUAL TOWN MEETING WARRANT
State of New Hampshire

To the inhabitants of the Town of Haverhill in the County of Grafton qualified to vote in town affairs:

You are hereby notified to meet at the Town Hall in said Town on Tuesday, March 11, 1958, at ten o'clock in the forenoon, to act on the following matters:

Article 1. To choose a Town Clerk.

Article 2. To hear the reports of the Selectmen, Treasurer, Cemetery Commissioners, and any other town officers heretofore chosen and to pass any vote relating thereto.

Article 3. To choose one Selectman for the term of three years, a Town Treasurer, one Highway Agent, one or more Auditors, one Library trustee for the term of three years, one Cemetery Commissioner for the term of five years, one Trustee of trust funds for the term of three years, and all other necessary Town officers.

Article 4. To see if the Town will vote to contribute funds for the construction of Class V highways, as provided in Chapter 188, Part 13, Laws of 1945, and to raise and appropriate the sum required for this purpose.

Article 5. To see if the Town will vote to make any alterations in the amount of money required to be raised and appropriated for the ensuing year for the support of the Town, as recommended by the Finance Committee in its budget report, to raise and appropriate all sums so determined for the purpose so determined, and to pass any other vote relating thereto.

Article 6. To see if the Town will vote to authorize the Selectmen to issue interest-bearing Notes or Orders to provide for the current year's expenses in anticipation of taxes.

Article 7. To see if the Town will vote to authorize the Selectmen to distribute the inventory blanks by mail, or at the time they examine the taxable property.

Article 8. To see if the Town will vote to authorize the Selectmen to administer or dispose of any real estate acquired by the Town through Collector's deeds.

Article 9. To see if the Town will vote to appoint or elect a budget Committee to supervise the appropriations of the Town, and to recommend to the next Annual Town Meeting the amounts to be raised for various purposes, such recommendations to be printed in the next annual report.

Article 10. To transact any other business proper to come before said meeting.

Given under our hands and seal this first day of February A.D. 1958.

ROY E. DUNKLEY

EDWIN A. SPOONER

C. LINCOLN BUTSON

Selectmen of Haverhill.

This is a temporary warrant. Articles may be added up to time of posting.

REPORT OF SELECTMEN

To the Citizens and Taxpayers of the Town of Haverhill:

We herein submit our annual report for the year ending December, 1957. Our detailed statements will be found on the following pages of this report.

On August 30 we were shocked and deeply saddened by the untimely death of our faithful employee and valued friend, Leon H. Bigelow, who for many years had so ably assisted in our road maintenance.

On September 9 Alfred Lamarre was appointed to fill the office of Chief of Police, left vacant by the retirement of Edward A. Foss. Officer Foss has been on our police force for many years.

The new and modern home of our local bank was opened for business on March 18, 1957. The Town can certainly view with pride and admiration these new facilities of an old and faithful institution.

We wish to congratulate Battery B 421st FA Bn. on their new quarters, dedicated November 11, 1957. This fine National Guard unit under the command of Captain E. B. Mann, has captured many honors and surely brings prestige to our town.

The trend of rising costs has continued this year and the many problems it presents have at times been most difficult to overcome. We have kept within the budget to the best of our ability only after much careful planning and cooperation of all concerned.

We wish at this time to thank all Town officials and citizens whose continued interest have so ably assisted us this year.

Respectfully submitted,

ROY E. DUNKLEY

EDWIN A. SPOONER

C. L. BUTSON

Selectmen of Haverhill

AUDITORS' REPORT

We, the undersigned, Auditors of the Town of Haverhill, certify that we have examined the accounts of the Selectmen, Tax Collector, Town Clerk, Town Treasurer, Trustees of Trust Funds and the Cemetery Commissioners and find them correct and properly balanced.

J. H. BARBER

CLARENCE S. KNOX

Town Auditors

YOUR TOWN DUMP

Use it freely

Care for it

Your town dump has been set up for your personal convenience. It provides a suitable place where you can dispose of the large amounts of dangerous, inflammable waste material and other useless items which accumulate around your household and local stores, brush, etc., cut on your property. The town dump has become a valuable and indispensable asset in modern community life.

The most successful town dumps are supervised—regular days provided for their use and inflammable material consistently burned. The town dump which receives no attention, where waste material is scattered about without supervision of any description, soon becomes a community menace and a liability rather than an asset.

Many people still burn debris around their homes. A large number of such fires get out of control causing unnecessary damage and expense to the burner. Why burn at home? Make use of your town dump and eliminate the hazard of burning. It will be easier for you—personally and financially.

If, however, you do burn on your premises

1. Secure a permit from your local forest fire warden—the law requires it. The warden won't refuse you if conditions are safe.
2. Be sure to properly supervise your burning. Don't leave it.
3. Make certain your fire is **DEAD OUT** before leaving it.

Save yourself much possible difficulty

Use your dump freely

Help keep it safe

Number of local fires	9
Number of acres burned	50
Number of permits issued	260

WOODSVILLE FREE PUBLIC LIBRARY

Report of the Librarian

16,549 books were circulated in 1957 with an average of 1380 books per month. 448 books and periodicals were purchased.

Story hour was held in the summer with 44 children registered. A summer book club was very popular. The fifth grade read the most books and were awarded a copy of ROGERS RANGERS.

Mrs. McGaw, trustee and the librarian attended a regional meeting in Franconia and New Hampshire Library Association meeting in Concord and the New England Library Association meeting in Swampscott.

WARRANT FOR THE ANNUAL MEETING OF NORTH HAVERHILL WATER AND LIGHTING DISTRICT

To the inhabitants of North Haverhill Water and Lighting District in the Town of Haverhill, N. H. qualified to vote in District Affairs:

You are hereby notified to meet in the Town Hall in said District, Thursday, March 13th, 1958, at seven-thirty o'clock in the afternoon, to act on the following matters:

Art. 1. To choose a Moderator for the ensuing year.

Art. 2. To choose a clerk for the ensuing year.

Art. 3. To hear the reports of the officers heretofore chosen, and pass any vote relating thereto.

Art. 4. To choose a Treasurer for the ensuing year.

Art. 5. To choose an Auditor for the ensuing year.

Art. 6. To choose a Commissioner for the term of three years.

Art. 7. To raise and appropriate such sums of money as may be deemed necessary for the ensuing year to meet the expenses of the Water and Lighting departments of the District.

Art. 8. To raise and appropriate such sums of money as may be deemed necessary for the ensuing year for new equipment and for the maintenance of the Fire Department of the District.

Art. 9. To raise and appropriate such sums of money as may be deemed necessary for the ensuing year for the maintenance of sidewalks.

Art. 10. To transact any other business proper to come before this meeting.

Given under our hands and seals this First day of February in the year of Our Lord, One Thousand Nine Hundred and Fifty-eight.

EDWIN E. BLAISDELL
RICHARD R. RUTHERFORD

MARY ROBINSON, *Treasurer*

AUDITOR'S REPORT

I hereby certify that I have examined the accounts of the North Haverhill Water and Lighting District for the fiscal year 1957 and I have found them correctly balanced.

In the presence of the Treasurer and District Commissioner I have burned the following paid bonds and coupons: Bonds No. 35 for \$1,000.00, No. 36 for \$1,000.00, and No. 37 for \$500.00.

FINLAY P. SLEEPER
Auditor

PRECINCT OF HAVERHILL CORNER

Warrant for Annual Meeting

To the inhabitants of the Precinct of Haverhill Corner, in said Haverhill, who are qualified to vote in District Affairs.

You are hereby notified to meet in the High School Building in said Precinct on Friday, March 14, 1958 at 7:30 o'clock in the evening to act upon the following subjects:

1. To choose a Moderator.
2. To choose a Clerk.
3. To hear the report of the Treasurer and other agents.
4. To choose one Commissioner for a term of three years.
5. To choose a Treasurer.
6. To choose an Auditor and other agents.
7. To authorize the Commissioners to borrow money to provide for current expenses or for any emergency until the taxes are collected and give notes for same.
8. To raise such sums of money as will be necessary for the ensuing year.
9. To transact any other business proper to come before the meeting.

AUDITOR'S REPORT

I have audited the Accounts of James H. Barber, Treasurer of the Precinct of Haverhill Corner and find them correct.

ROY E. DUNKLEY, *Auditor*

This is to certify that in the presence of one Commissioner and the Treasurer, Bond No. 9 was burned.

ROY E. DUNKLEY, *Auditor*

WOODSVILLE FIRE DISTRICT

Warrant for Annual Village Meeting for 1958

To the inhabitants of the Woodsville Fire District, in the Town of Haverhill, County of Grafton and State of New Hampshire, qualified to vote in said District affairs:

You are hereby notified to meet at the Community Building on High Street in said District, Thursday, March 13, 1958, at thirty minutes past seven o'clock in the evening to act on the following matters:

1. To choose a Moderator.
2. To choose a Clerk.
3. To choose a Treasurer.
4. To choose an Auditor.
5. To hear the reports of the officers heretofore chosen and to pass any vote relating thereto.
6. To choose one District Commissioner for the term of three years.
7. To choose one District Commissioner for the term of one year.
8. To choose one member of the Community Building Committee for the term of two years.
9. To see if the village will vote to raise a sum of money to purchase a new fire truck.

10. To raise and appropriate such sums as may be necessary to meet the expenses of the District, including the Fire Department for the coming year.

11. To see what action the District will take in reference to instructing the Water & Light Department Commissioners to turn over to the Community Building Committee a certain sum of money to meet the expenses thereof.

12. To transact any other business proper to come before said meeting.

AUDITOR'S REPORT

February 7, 1958

I hereby certify that I have examined the books of the Commissioners of the Water and Light Department, as summarized by Bradford Business Services, by Paul R. Donnelly, Certified Public Accountant, and find them properly cast.

I have also examined the accounts of the Treasurer and of the Commissioners of the Woodsville Fire District and of the Treasurer of the Woodsville Community Building and find them correct and properly balanced.

I also certify that, in the presence of the Treasurer and one District Commissioner, I destroyed paid Community Building Bonds No. 57 and No. 58 and all paid coupons of this issue to date. Same bonds being the last of the issue.

WOODSVILLE SCHOOL DISTRICT

The State of New Hampshire

To the inhabitants of the Union High School District of Woodsville qualified to vote in district affairs:

You are hereby notified to meet at the Community Building in said district on the 14th day of March, 1958, at 7:30 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a member of the School Board for the ensuing three years.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of agents, auditors, committees, or officers chosen, and pass any vote relating thereto.
7. To choose agents, auditors, and committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are estimated to be received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town.
9. To choose a Library Trustee for the ensuing year.

10. To see if the district will vote to raise and appropriate the sum of Three Thousand Dollars (\$3,000.00) for the support of the Woodsville Free Public Library.

11. To see what sum of money the district will vote to raise and appropriate for the purpose of re-surfacing the graded school yard.

12. To see if the district will vote to authorize the application of any unanticipated income to expenses.

13. To transact any other business that may legally come before said meeting.

Given under our hands at said Woodsville this 24th day of February, 1958.

CLARENCE S. KNOX
District Treasurer

July 8, 1957

AUDITOR'S CERTIFICATE

This is to certify that I have examined the books, vouchers, bank statements and other financial records of the treasurer of the school district of Woodsville of which the above is a true summary for the fiscal year ending June 30, 1957 and find them correct in all respects.

H. B. KNIGHT
Auditor

July 8, 1957

BOND AND NOTE ACCOUNT—1956-1957

There is outstanding in the Old Bond Account, Coupons No. 11 and 12 to Bond No. 18 amounting to \$22.50 and Coupon No. 15 to Bond No. 30 for \$2.25. There is on deposit in the Woodsville National Bank \$24.75 to pay for same when presented.

The Phil Bennett Shop Building Bonds No. 21 through 50 amounting to \$30,000.00 is outstanding.

Bonds No. 16 to 20, inclusive, were paid and destroyed.

Respectfully submitted,

C. S. KNOX, *Treasurer*

Woodsville U. H. S. District

July 12, 1957

AUDITOR'S CERTIFICATE

I certify that I have examined the books and accounts of the School Board and Treasurer of the Woodsville Union High School District for the year ending June 30, 1957 and find them correct and properly vouched for with a balance on hand of \$11,067.59.

There are outstanding coupons amounting to \$24.75 and a balance in Woodsville National Bank of \$24.75 to pay same when presented for payment.

I also certify that Bonds No. 16 to 20, inclusive, were paid and destroyed.

H. B. KNIGHT

Auditor

Woods- ville	34	41	39	37	44	35	29	23	26	47	47	34	29	465

1957-1958

The faculties of the schools experienced only three changes in their personnel. The resignation of Mrs. Doris Demick to accept a position with the Department of Education in Vermont created a vacancy at the Graded School for grade one. Also, Mr. John Matthews left the High School and is employed at McIndoes Academy.

Mrs. Jeanette Masten of Wells River, Vermont, was employed as teacher for grade one. Mrs. Masten has a B.Ed. degree from Plymouth Teachers College and is a teacher with many years of successful teaching experience.

Mrs. Gladys Desrochers of Barnet, Vermont, accepted the position of instructor in business education at the High School. Mrs. Desrochers is also an experienced teacher. She attended the University of Vermont and is a graduate of the Concord, New Hampshire, College of Business.

An additional teaching position was created to accommodate the increasing enrollment at both schools. This made possible the departmentalizing of VII and VIII grade English at the graded school, and the relieving of overcrowded conditions in social studies classes at the high school.

Mr. Donald Evans of Gorham, New Hampshire, a graduate of Plymouth Teachers College, with a B.Ed. degree, was hired for this teaching assignment. The administration has been very pleased with the work of all the instructors and feels very fortunate in filling the vacancies with such fine people.

The condition of the playground at the graded school is in a most unsatisfactory state. A re-surfacing job will be necessary to overcome this problem. Entire surface is approximately 2,000 sq. yds. Cost of hot patch quoted at \$1.80 per sq. yd.

There are several changes in the plant at the high school that are anticipated as necessary for the welfare of the pupils. These, in general, have been touched upon in a Report of a Visiting Committee from the State Department of Education, who visited the school last November. The task of this committee was to evaluate the offerings of the secondary schools in terms of the Minimum Standards and Recommended Practices for New Hampshire Secondary Schools, Grades 9-12, which will become effective September 1958.

REPORT ON VISIT TO WOODSVILLE HIGH SCHOOL

November 20, 1957

"On November 20, 1957, the following staff members of the State Department of Education visited Woodsville High School: Messrs. Neal Andrews, and Russell Leavitt.

"The purposes of the visit were twofold: the first was to clarify what action, if any, is necessary to qualify Woodsville High School as an Approved High School under the Minimum Standards which will go into effect in September 1958; the second was to identify aspects of the school plant and program which are in need of attention if Woodsville is to offer a truly comprehensive high school program.

"In addition to the comments included in this report, other recommendations and suggestions were presented verbally to Superintendent Phil A. Bennett, and Principal Anatole E. Pendo. Although these were not detailed here, it is hoped that each will be given careful consideration.

"The staff of our department is available to assist in any appropriate manner as steps are taken to implement the ideas presented in this report.

Action Necessary Under Minimum Standards

"1. For 1958-1959 the class periods must be lengthened to at least forty-five minutes in length exclusive of time for passing. They are now forty-five minutes gross time.

"2. No teacher may teach more than six periods a day. The Industrial Arts teacher has been assigned seven, and his load must be reduced.

Action Strongly Recommended

"1. Additional teachers are necessary in order to avoid a program consisting of alternating courses and electives which are restrictive in nature. The time schedule should provide opportunities for homogeneous grouping in English, Mathematics, and Science; provide expanded programs in Physical Education, Driver Education, Modern Foreign Languages, Personal Typewriting for more pupils starting in grade ten, Social Studies, Advanced Mathematics, a Language Arts elective in grade twelve, and Guidance.

"2. A re-examination of the Social Studies program should be made to consider the following suggestions:

- (a) Civics and Youth Problems should be a Grade 9 subject.
- (b) Contemporary Problems should be in the Social Studies course for seniors.
- (c) Consumer Problems could well be a two-year program for grades 11 and 12.

"3. The present Science room is not large enough to meet the needs for teaching four different types of Science courses. A good multi purpose Science area should provide about thirty square feet per pupil, excluding storage space. A survey should be made of the existing equipment and facilities in Science in order to provide essential apparatus, supplies and furniture.

"4. A study should be made of the Business Education program to determine: the best place to first offer Typewriting I, Personal Typewriting, and Bookkeeping, and how Clerical pupils can best be trained. Arrangements should be made to provide experience with several types of the more common business machines.

"5. Consideration should be given to setting up a four-year General Shop course which will provide exploratory experiences in not less than five of the recommended areas, one of which should be Mechanical Drawing. Project Drawing should be a part of the instruction in each area.

"6. Consideration should be given to shifting the Home Economics program into a four-year comprehensive sequence.

"7. Among the required three offerings in the Fine Arts, there should be at least one offering in the Visual Arts.

"8. There should be a well organized program in Health and Physical Education which will provide for at least two or three periods per week for each pupil.

"9. There should be a school library room in the building large enough to accommodate an average sized class. The library should not be used as a "study hall." A teacher should be assigned the responsibility of organizing the library and for training assistants to work in the library, when she is otherwise occupied. She should have a period a day assigned for this purpose and for work connected with other library responsibilities.

A minimum of \$300.00 should be budgeted yearly and every five years a large sum should be assigned for the purpose of buying encyclopedia.

10. A half or whole unit elective course in Mechanical Drawing is appropriate for academic pupils. The Mechanical Drawing class should meet in a room which is more suited for their work."

Prepared by:

RUSSELL H. LEAVITT

Chairman: Visiting Committee

December 4, 1957

The two items noted as **ACTION NECESSARY UNDER MINIMUM STANDARDS** are administrative problems and are easily accomplished, as are all items under **ACTION STRONGLY RECOMMENDED** except items 3 and 9.

The latter two items will need special action by the District at its annual school meeting. When preliminary plans were drawn for possible expansion of the building, the present assembly room and stage were combined with the science laboratory for an expanded program. Were this to be so remodeled, the stage and science laboratory would become an enlarged and improved science unit. The east end of the Assembly room could become a much needed library.

It is hoped that the citizens will act favorably toward these suggestions. If we continue to attract tuition students, we are obligated to them, currently 43% of the enrollment, as well as to the resident pupils, for an acceptable minimum standard of physical plant accommodations. An example of this is the excellent facilities of the Community Building for the school lunch program.

Appreciation is again expressed for the continued support of the community in its schools, for the activity of the school board in its policy action, and for the initiative and loyalty of the teachers and other employees, especially the building custodians and lunch operators.

Your attention is directed to the reports of Principal Pendo, Principal McKelvey, and Mrs. LaMott, R. N., which follow.

Respectfully submitted,

PHIL A. BENNETT

Superintendent of Schools

Woodsville, N. H.
January 28, 1958

WOODSVILLE HIGH SCHOOL REPORT OF THE PRINCIPAL

To the Superintendent of Schools:

I herewith submit my annual report of Woodsville High School for the year ending January 31, 1958.

Enrollment

The enrollment for the school year 1957-58 included 158 pupils.

Distributed according to classes they were as follows:

Seniors	31
Juniors	38
Sophomores	46
Freshmen	43
<hr/>	
Total	158

Graduates

Diplomas were awarded to the following graduates on June 13, 1957:

John Batjiaka	Arnold Jordan
Russell Boyce	Franklin Keysar
Gloria Brill	David Locke
Heather Campbell	Keith McRae
Evelyn Carbee	John Paradie
Carol Chase	Camille Roy
Shirley Chase	Barbara Schoff
Thomas Chase	Judith Schoff
Veronica Hamel	Roberta Taylor
Judith Hobbs	Lee Tegu
Thomas Ilsey	Robert Towers
Norma Johnsen	Rogene Weed
Robert Johnson	Eugene Welch

Scholarships

The following scholarships were awarded:

- First Honor: Rogene Weed
- Second Honor: Heather Campbell
- Third Honor: Norma Johnsen
- Fourth Honor: John Batjiaka

The Alumni Attainment award was given to Franklin Keysar; the Perley N. Clark Awards for excellence in music went to Gloria Brill and Rogene Weed; The Bausch and Lomb Science award was given to Norma Johnsen.

Staff sergeant James M. Jackson award for excellence in U. S. History went to Heather Campbell. A year's subscription to Reader's Digest for being the valedictorian of her class went to Rogene Weed. Danforth Books for leadership qualities were awarded to Judy Hobbs and Franklin Keysar.

The Activities

The activities' program consisted of the following. Compulsory physical education for both the girls and the boys. Miss Lois E. Litz directed the girls, and Mr. Donald Evans directed the boys. The following sports were carried on: softball, tumbling, volleyball, fencing, baseball, basketball, and in conjunction with this program, every boy and girl received a physical examination through the courtesy of the School Board of Education.

In the spring of 1957, Mr. Frank Woodward put on "Curtain Going Up" a comedy in three acts. The play was well received and much enjoyed by the audience.

The cheerleading teams again played prominent parts in supporting school athletics. The Junior Varsity team was headed by Priscilla Cromwell, while the Varsity squad was captained by Lynn Hill. In the annual North Country cheerleading contest held at the Community Building, the Varsity cheerleaders again placed second.

The athletic teams had banner years. The boys' basketball team was coached by Mr. Robert Dumais and compiled a record of 10 wins and 9 losses. The girls' team, coached by Miss Lois E. Litz had another undefeated season winning 12 and losing none.

The baseball team, coached by Mr. John Matthews, was admitted into the White Mountain Conference which was composed of the following teams: Colebrook, Lancaster, Gorham, Groveton, Littleton, Stratford, Whitefield and Woodsville. It compiled a record of 9 wins and 2 losses and as the result, went into NHIAA baseball tournament play-off against St. Patrick, losing out 13 to 5.

However, the baseball team tied Groveton for 1st place in the White Mountain Conference. The teams did not

play off for the championship because of lack of time. Both Woodsville and Groveton received 1st place trophies.

Fall baseball was carried on in 1957 as conditioner for the basketball season and several games were played with nearby schools.

Financial Statement of Activities

<i>Activities</i>	<i>Income</i>	<i>Expense</i>

Deficit		623.45
		<hr/>
Funds Available		\$ 434.67

Curriculum

The academic standards of Woodsville High School have been kept at the highest level possible. Many old textbooks have been replaced by new. Great number of films were used in conjunction with practically every course offered by the school. Several field trips by the science and social science departments were taken.

In the fall of 1957, Mrs. Gladys Desrochers replaced Mr. John Matthews in the Commercial Department. Mr. Don-

ald Evans was added to the social science department. He was also in charge of physical education, and helped out with the junior varsity basketball team.

Driver education was again offered to the juniors and seniors and some twenty-five students availed themselves of the opportunity to learn to drive. Mr. John Gordon was the instructor.

General Information

The Cycle, the quarterly publication, was published by the commercial department under the guidance and direction of Mrs. Virginia Kendall and Mrs. Gladys Desrochers.

Fridays' assemblies continued to provide weekly diversions. These assemblies consisted of speakers, movies, plays, musical numbers, and various contests between individual students and between classes. Most of them proved to be entertaining as well as educational.

It has been a pleasure for me to work in such harmony with Supt. Phil Bennett and the members of the School Board. Their understanding, help, thoughtfulness and complete cooperation in all matters made my work, indeed, a pleasant task.

I would also like to take this opportunity to express my sincere thanks to the many townspeople who have, so generously, contributed so much to the school activities by their donations of work, time, and money, and who have always been ready to lend a helping hand whenever a lending hand was necessary.

These things mean so much to so many, and indeed help to "oil the wheels" of a smooth functioning school.

Respectfully submitted,
A. G. PENDO, *Principal*

WOODSVILLE GRADED SCHOOL PRINCIPAL'S REPORT

January 14, 1958

To the Superintendent of Schools:

I submit herein my annual report of Woodsville Graded School for the year ending December 31, 1957.

The enrollment for the school year 1957-58 included 306 pupils. This large enrollment produced a problem with such a small playground, making necessary several recesses so that not too many youngsters would be on the playground at once. The surface of the playground is also in bad shape and I would recommend a hardtop surface to alleviate this problem.

The transition from grade school where the children have had one teacher for all subjects to high school where they have a different teacher for each subject is a hard one. The addition of Mr. Evans to the Grade School staff to teach English in grades 7 and 8 has helped in this problem. Grade 7 now has two regular teachers—Mrs. Lewis and Mr. Evans and Grade 8 has three regular teachers—Mr. McKelvey, Mrs. Lewis and Mr. Evans. These grades also have different teachers for music, home economics and shop. This enables the teachers to specialize in certain subjects, all of which leads to a better education for these pupils. The change from grade school to high school for the Woodsville pupils should be much easier in the future.

Athletic teams at the Grade School include basketball and baseball for the boys and basketball for the girls. The boys' basketball team was especially successful, being undefeated and winning the Lion's Club Tournament at Bradford, Vt., and the Junior High Tournament held at Littleton.

A music festival in which all children took part was held before a very large audience at the Community Building in May.

The large enrollments in each grade with children with wide ranges of ability has created many hardships for the teachers. I want to congratulate them on the fine job they have done to meet this challenge. The cooperation of all teachers has been much appreciated.

I also wish to thank Supt. Phil Bennett and the School Board for their constant cooperation in all matters.

Respectfully submitted,

GEORGE C. MCKELVEY

REPORT OF SCHOOL NURSE

Number of pupils examined		465
Symptoms of Defects		Corrections
Vision	29	35
Hearing	4	2
Speech	2	2
Teeth	128	270
Tonsils	4	

Communicable diseases reported:

Chicken Pox 1

School visits, 99; Home visits, 79

Routine hearing and vision screening tests were completed. When symptoms of defects were found, written notices were sent to the parents.

Two pupils attended the Child Guidance Clinic at Littleton.

Eight pupils had a chest X-ray at the Clinic May 28, 1957.

The following polio inoculations were given:

1st polio inoculation	29
2nd polio inoculation	34
3rd polio inoculation	164

The polio clinic was sponsored by the Department of Health. Mrs. Loretta Russell, R. N., Public Health Nurse, was in charge. Our thanks to the Progressive Club members, Nurses, Aids, and all that gave their time to assist at these clinics.

I wish to thank the Cohase Lions Club for the continued assistance in the Sight Conservation Program.

Children in grades 1, 4, and 8 had a physical examination. Some of the pupils were examined by their family physician. Eighty-two were done at school by Dr. E. C. Campbell, School Physician.

One hundred and thirty-eight physicals were done in the high school. This examination was required in order to allow the student to participate in the Physical Education Program.

In November, 1956, I had an opportunity to attend the American School Health Association Convention in Atlantic City, New Jersey. There were five school nurses present from New Hampshire. We enjoyed the meetings and exhibits which we visited. It was very interesting to meet

the experts from all over the United States and to hear what they are doing in their various school health programs.

I wish to thank Mrs. Henry Mann for her generous donation of clothing.

My sincere appreciation to Mr. Bennett, Dr. Campbell, the teachers, pupils, and parents for their cooperation in the past year.

Respectfully submitted,

MURIEL LAMOTT, R. N.
School Nurse

SCHOOL WARRANT

The State of New Hampshire

To the inhabitants of the school district in the town of Haverhill qualified to vote in district affairs:

You are hereby notified to meet at the Town Hall in said district on the 18th day of March, 1958, at 8 o'clock in the afternoon to act upon the following subjects:

1. To choose a Moderator for the coming year.
2. To choose a Clerk for the ensuing year.
3. To choose a Member of the School Board for the ensuing three year.
4. To choose a Treasurer for the ensuing year.
5. To determine and appoint the salaries of the School Board and Truant Officer, and fix the compensation of any other officers or agent of the district.
6. To hear the reports of Agents, Auditors, Committees, or Officers chosen, and pass any vote relating thereto.
7. To choose Agents, Auditors and Committees in relation to any subject embraced in this warrant.
8. To see what sum of money the district will raise and appropriate for the support of schools, for the salaries of school district officials and agents, and for the payment of statutory obligations of the district, and to authorize the application against said appropriation of such sums as are received from the state foundation aid fund together with other income; the school board to certify to the selectmen the balance between the estimated revenue and the appropriation, which balance is to be raised by taxes by the town,
9. To see what sum of money the district will vote to raise and appropriate for the support of a dental clinic.

10. To see what sum of money the district will vote to raise and appropriate for the support of the school lunch programs.

11. To see if the district will vote to authorize the school board to expend the proceeds received from the sale of the Center Haverhill school property (\$551.00) and the Pike School property (\$2,500.00) for the support of schools.

12. To see if the district will vote to authorize the application of any unanticipated income to expenses.

13. To transact any other business that may legally come before said meeting.

Given under our hands at said Haverhill this 5th day of February, 1958.

Total Assessments	

*The starred items are required by law to be raised as determined by the proper authorities. The district determines the salaries of the district officers. The supervisory union board decides the local share of the superintendent's salary and other union expenses. The supervisory union's share of the Superintendent's salary for 1958-1959 is \$4,580.00 with \$1,000.00 allowed for travel. The State's share is \$3,250.00, total salary is \$7,830.00. The State Treasurer reports the amount of the per capita tax. The retirement board assesses the amount for the teachers' retirement.

Total													375

1957-1958

The faculty of the Haverhill Elementary School continues to do excellent work and without change of personnel. The enrollment of pupils in September was 269, a decrease of six pupils from the 1956-1957 school year.

The increased use of the facilities of the building is most gratifying, not only by citizen groups, but by the Academy pupils. The addition of dressing rooms with showers would add greatly to the convenience of the pupils, especially when the activity room is used by the Academy athletic teams.

The Academy social studies instructor, Mr. John O'Brien, was replaced by Mrs. Kathleen Kallum Harris. Mrs. Harris graduated from Plymouth Teachers College and holds a B. Ed. degree. This is her first year of teaching.

The Academy enrollment increased from 100 pupils during the 1956-57 year to 110 in September, 1957. This trend will undoubtedly continue until 1962.

The increased enrollment made it feasible to employ an additional teacher. It was also possible to do this by having the classroom available in Pearson Hall.

Mr. Frank Kramm of Ely, Vermont, accepted this position, as instructor in French, Physics, Psychology, and Sociology. Mr. Kramm is a graduate of Fordham University, New York City, and holds a degree of B. S. in Ed. He has previously taught in Vermont and in Connecticut.

Mrs. Greta Morris is doing a fine job with the lunch program, having replaced Mrs. Chapman as supervisor. Mrs. Delestations assists Mrs. Morris.

As pointed out by Principal Jenkins in his report of last year, the Academy is weak in its offerings in the fields of both Fine Arts and Practical Arts. This has been more forcefully brought to the attention of the administration by the report of a visiting team from the New Hampshire Department of Education, which studied the Academy's offerings in order to evaluate them in terms of the Minimum Standards and Recommended Practices for New Hampshire Secondary Schools, Grades 9-12. Effective September, 1958, the secondary schools of New Hampshire will be approved by the standards above mentioned. The report of the visiting committee follows:

"On December 13, 1957, the following staff members of the State Department of Education visited Haverhill Academy: Messrs. Roland B. Kimball, and C. Paul Quimby.

"The purpose of the visit was twofold: First, to clarify what action, if any, is necessary to qualify Haverhill Academy as an Approved High School under the Minimum Standards which will go into effect in September, 1958; second, to identify aspects of the school plant and program which are in need of attention if Haverhill is to offer a truly comprehensive high school program.

"In addition to the comments included in this report, other recommendations and suggestions were presented verbally to Superintendent Phil A. Bennett, and Principal Friend Jenkins. Although these are not detailed here, it is hoped that each will be given careful consideration.

"The staff of our department is available to assist in any appropriate manner as steps are taken to implement the ideas presented in this report.

Action Necessary Under Minimum Standards

"1. Only one opportunity in the Fine Arts area is now offered. Another year, two more offerings will be necessary. The need for instrumental music instruction and for visual art instruction should be considered as the Fine Arts program is expanded.

"2. Twelve unit courses in the Vocational and Practical Arts area are required by the Minimum Standards. The present program has less than this number because no Industrial Arts opportunities are provided. It will be necessary to develop a more comprehensive program in Practical Arts.

"3. Several periods are now listed as forty-five minutes in length but inclusive of time for passing. The administration is reminded that the new time requirement for a minimum of forty-five minutes per period is exclusive of time for passing.

"4. Although the present school day of 6 hours and 50 minutes is well above the five and one-half hours required by the Minimum Standards, it is noted that a double activity period is being used during portions of the school year and the time of regularly scheduled classes is thus reduced. The administration is reminded that under the new regulations this practice would be unacceptable. Time requirements for unit courses as cited on pages 11 and 12 of the Minimum Standards publication must be met for all students.

"5. The administration is also reminded that because a school library does not now exist that any plans for building, alteration, or expansion must include adequate provisions for a school library.

Action Strongly Recommended

"The recommendations cited below will perhaps have implications for expansion of the present facilities as well as classrooms. Because the construction of the present building definitely limits expansion, school authorities will want to give careful consideration to any program that seeks to build onto the present building. All alternatives to provide for the recommendations of this report should be carefully examined to determine what would be the best educational investment for Haverhill.

"1. The program of studies should be carefully studied to determine whether it is meeting the needs of all Haverhill students. Consideration should be given the following specific areas:

- "a. The school now offers two years of Latin and one year of French with the possibility of offering more years in both languages. The foreign language student potential of a school the size of Haverhill Academy should be examined to determine whether it is feasible to offer two languages. Every effort should be made to offer three years of one modern language and the final year of such instruction should be provided during the senior year.
- "b. The Business Education program should be examined to see if it would be strengthened by providing for two years of Typing in Grades 10 and 11 in place of the one year now provided. An offering in Office Practice of a Clerical nature for students who have not taken Shorthand should be considered.
- "c. The present three-year program in College Preparatory Mathematics would be strengthened if four years were offered: this would provide for two years of Algebra, Plane Geometry, and a senior year of Advanced Mathematics to include Trigonometry, some Solid Geometry, and Advanced Algebra.
- "d. The offerings in the Social Studies area might be strengthened by a consolidation of the present courses titled World Geography, Economics, Busi-

ness Law, Psychology, and Sociology into two unit courses that do not overlap among themselves or with other courses offered. It is pointed out that this consolidation would make possible an offering of Civics and Youth Problems for Grade 9 without adding to the present total number of Social Studies courses.

“e. The need for an elective opportunity in the English language arts should be examined. It appears that a course in the Improvement of Reading would be very desirable; enrichment opportunities in either writing or speech should be considered. In addition, any scheduling device that would permit some homogeneous grouping within English classes would make instruction more effective.

“f. The present offering in Music is considered a single Fine Arts ‘Offering’ under a liberal interpretation of the requirements. It is expected that this offering will be made available for the entire year and that appropriate instruction for a year’s program will be planned.

“2. The educational program of the school is limited in several aspects due to inadequate facilities and equipment. As this problem is studied, particular attention should be given the following:

“a. The Homemaking Department is too limited in space and equipment and therefore unable to provide a comprehensive Homemaking program.

“b. The science laboratory does not include space for the average-sized classes which it is now expected to accommodate. The need for facilities for individual experimentation is apparent.

“c. The instructional aids available for the teaching of Biology are extremely limited. A long range program of buying for this course should be instigated.

“d. Attention should be given the equipment available in the Business Education Department. An opportunity to learn the operation of a variety of office machines is an integral part of an Office Practice course; possibilities of renting such equipment should be explored.

“3. Present policies relating to the use of the local library in place of any development of a facility within

the school should be carefully examined. The modern school utilizes the school library as the heart of its educational services; it does not appear defensible to support with school monies a library located apart from the school and made available only a few hours each week. An immediate program should be instituted to develop an adequate library within the school building available to teachers and classes as an instructional tool. For a school of this size the American Library Association standards indicate that \$300 should be appropriated annually for books and materials with an additional sum allotted periodically for encyclopedia.

"4. The principal currently is teaching three classes, supervising two study halls, teaching Driver Education both during and after school, and handling the guidance and administrative requirements of the position without any adult secretarial help. Because a school of this size requires at least two periods daily, specifically designed for guidance activities, it is apparent that administration, supervision, and guidance cannot be effectively handled with this present load. Every effort should be made to reduce his teaching assignments and to provide him with adult secretarial help."

Report prepared by

C. PAUL QUIMBY
Associate Director
Secondary School Services

Chairman: Visiting Committee
December 27, 1957

In commenting on the report, it should be pointed out that the requirements of items 3 and 4 under "Action Necessary Under Minimum Standards", are to be quite easily met by administrative procedure.

Item 1 could be met by the employment of an additional teacher, qualified in the field of music, both vocal and instrumental. This person would have time to teach in one other subject.

Item 2 would require the establishing of three or more units in Practical Arts such as agriculture, general shop, woodworking, graphic arts, etc. It would also require housing of such units.

Item 5 could be developed if more space became available in the academy building.

Under "Action Strongly Recommended", all items under 1; a, b, c, d, and e, are again administrative problems and can be solved by the staff.

Item 2; a, b, c, and d, are definitely remodeling and financial problems and can be solved only by increased budget appropriations.

The principal should definitely have more administrative time. The pressure of problems outside of the field of teaching demand more of the principal's time yearly. This time can only be obtained by a larger teaching staff which is definitely a recommendation.

Appreciation is again expressed to the citizenry for its interest in the welfare of the pupils of the community, to the members of the school board for their cooperative efforts, and to the teaching staff of both the elementary and secondary schools for the loyalty and industry shown at all times.

Respectfully submitted,

PHIL A. BENNETT
Superintendent of Schools

Haverhill, N. H.
January 14, 1958

PRINCIPAL'S REPORT

To the Superintendent of Schools:

I submit herein my thirty-fourth annual report of Haverhill Academy and High School for the year ending December 31, 1957.

The enrollment for the school year 1957-58 beginning in September and ending on the above date is one hundred twelve. Ten have left school to date leaving the present enrollment at one hundred two. Of the ten who have left, six have transferred to other schools because of change of residence. There are eleven tuition pupils enrolled. Eight come from the town of Piermont, two from Warren and one from Benton.

Distributed by classes the enrollment is as follows:

	Boys	Girls	Totals
Seniors	16	8	24
Juniors	14	9	23
Sophomores	16	17	33
Freshmen	22	10	32
	<hr/> 68	<hr/> 44	<hr/> 112

With thirty-three in the eighth grade and with twenty-three possible graduates in June, the enrollment next year will probably exceed somewhat the one hundred twelve enrolled this year. While the use of Southard Hall as a class room and the division of the main room in the Academy building by means of accordian-type doors, have relieved the crowded conditions in the class rooms to some extent, several of the classes still have to be held in rooms too small for the most effective work. Particularly is this true in the English classes, the ninth and tenth grade sciences classes, and the ninth and tenth grade Domestic Arts classes.

The problem is not only one of too-small-classrooms. While classes of thirty to forty composed of pupils with a *narrow* range of abilities and interests and imbued with a willness to work, can be effectively taught in adequate class-rooms, large classes composed of pupils with *wide* ranges of abilities and interests can not be effectively taught even in spacious class-rooms. Thus the problems and their solutions become two-fold.

The problem of meeting the requirements and recom-

mendations for continued approval imposed by the State Department of Education under the new, "Minimum Standards for Secondary Schools", is not a new one. However its solution does become more immediate. (The recommendations and requirements are printed, in full, in Mr. Bennett's report.)

The following pupils were awarded diplomas at the Commencement Exercises in June: David Clement, Rachel Clark, Doris Irwin, Evelyn Gilman, Anna Martin and Ralph Wright. Scholarship honors were won by Doris Irwin and Rachel Clark. Rachel Clark also won the Scholarship, Loyalty, and Achievement Medal.

The usual extra-curricular activities have been maintained with increasing numbers participating. The athletic teams enjoyed very successful seasons from the standpoint of games won and received from their opponents repeated praise for their sportsmanship and fair play. The use of the new gym and baseball field at North Haverhill has been a joy and delight.

The manner and means by which the requirements and recommendations of the State Department of Education are to be met will necessarily have to be a matter of community and committee discussion and planning and final action left to the voters of the district.

Respectfully submitted.

FRIEND H. JENKINS
Principal

January 16, 1958

REPORT OF SCHOOL NURSE

Number of pupils examined		375
Symptoms of Defects		Corrections
Vision	42	28
Hearing	5	5
Teeth	185	233
Tonsils	10	1
Scalp	1	1

Cases of communicable diseases reported:

Measles	21		
Pediculosis	1		
Impetigo	1		
School Visits	65	Home Visits	122

All routine vision and hearing tests were completed.

Thirty-four children received immunization for tetanus, diphtheria, and whooping cough at the Well Child Conferences held in May, June, and July.

Four pupils were examined at the Chest Clinic at Woodsville, May 28, 1957.

Three pupils were examined at the Child Guidance Clinics held in Littleton, New Hampshire.

There were several polio clinics held during the year. The following polio inoculations were given:

1st polio incculation	38
2nd polio inoculation	51
3rd polio inoculation	246

Another very successful dental clinic was held in the Spring of 1957. A total of 55 children from grades 1, 2, and 3 attended these clinics. The North Haverhill Girls' Club, The Lend-A-Hand Club, Haverhill, and the Pike Grange H. & C. W. gave money to help support this clinic. The following parents donated transportation: Mrs. Orman Thayer, Mrs. Douglas White, Mrs. Russell Hatch, Mrs. Douglas Brooks, and Mrs. Michael Robb. We are grateful to the Clubs and the parents for their continued support and cooperation.

Dr. McKinlay examined 118 children in the 5th, 6th, 7th, and 8th grades. This examination was part of the physical education program.

In November, 1956, I had an opportunity to attend The American School Health Association Convention in Atlantic City, New Jersey. There were five school nurses present from New Hampshire. We enjoyed the meetings and exhibits which we visited. It was very interesting to meet the experts from all parts of the United States and to hear what they are doing in their various school health programs.

During the year, the metal index card file was purchased for the Academy and elementary school health records. With this compact filing system, it is much more convenient to record information for each pupil at the time of examination.

I want to thank Mr. Bennett, the teachers, pupils, and parents for the kind cooperation in the school health program for the year.

Respectfully submitted,

MURIEL LAMOTT, R. N.
School Nurse

MARRIAGES

of Haverhill Residents, Registered during the year 1957

Date, Name of Groom, Residence, Name of Bride, Residence

REPORT FROM THE WHITE MOUNTAINS REGION ASSOCIATION

"Twenty Years of Progress"—1938-1958

It is a pleasure to be able to report on the twentieth year of successful operation of your Region Association. Reaching this milestone shows a solid record of accomplishment and mutual co-operation between the towns and the Association.

For a long time nobody knew exactly how to *prove* that real *hard cash* was coming into the area from our efforts. However, for the last three years we've run an annual survey of people previously contacted in some way, to find out if they ever did come here and spend any money. Much as we've always believed in this work, we were still amazed at the extent of income indicated by the survey returns. Every time, just a few parties out of the survey sample would prove to have spent around three times as much in this region as the total of all the town appropriations! Careful estimates indicate over half a million dollars a year are being spent here by people contacted through Region publicity. If that sounds like baloney, remember that the whole state does a 210-million dollar vacation business!

Demands on our literature—in which every town is represented in every folder—have never been so heavy. To cite one example, our Fall Foliage promotion (remember those bright red 'leaves' you saw on the roads? We put 'em up) got attention from as far away as Texas and California, and we had to print up an extra 3000 foliage maps in a hurry. A card we had placed in Samsonite luggage stores across the country brought in another 3000 replies in addition to our usual requests for Region folders. All told we've sent out as usual around 100,000 pieces of material, plus pictures, news stories, radio and TV 'plugs'. We've helped all we could to promote community events here at home, while spending a good deal of time at shows and exhibitions in major cities (we are adding a new one this year, Cleveland).

The 4-H Awards Program continues to be successful and popular, and over 75 clubs throughout the region are helped and encouraged through it in this very worthwhile work by cash awards, trophies, and magazine subscriptions to clubs, members and leaders.

A lot of work has been done on transportation, a very serious situation here. Active work has been done trying to save what we can of our rail passenger service. Much correspondence and attendance at hearings have been aimed at improving the airline service. We have been working with the bus companies planning a campaign with them, since the rail situation seems to be so shaky. We have kept in close touch with the highway situation, hoping Region roads may receive necessary attention.

The items above are brief highlights, and there is much more going on continuously. This is a full time, year-round effort aimed at benefiting *you* and *your town*—that's the only reason this Association exists, to bring about conditions that bring in money that eases the tax 'bite' on your pocket-book. Your support makes it possible, and we thank you for it.

Respectfully submitted,

DAVID S. CASSEDY
Executive Secretary
